## **Introduction**

Minaxi Group Started operations since 2016. Established in Gandhidham, Kutch, Gujarat, Minaxi Group is one of the leading Importers and Exporters, Logistics Service provider, Distributors, Suppliers and Traders of all kinds of petro liquids and chemicals like Bitumen, Oil with all grades, Coal, Toluene, MTO, Xylene, Agro Products, etc. With a Turnover of more than INR 130 Crore, Minaxi Group is successfully expanding year on year with unparalleled excellence of our founders and our commitment to serve our clients with best prices without any compromise on quality.

They are widely acclaimed amongst clients for their superior quality and long shelf life. In 2018 Minaxi Group began trading with various trusted Companies such as Bitumen Corporation India Pvt. Ltd (BITCOL), Sitaram Group, Neptune Tradelink, Maa-Tara Construction, Catalyst PetroChem LLP, ITPL Infrastructure etc.

Our products are well-known for their widespread usage in various industries like Road Building Industry, Rubber Manufacturing & Processing Industry, Foundries, Furnace, Paint Industry, Grease & Tyre Industry. Our products are tested for their efficiency and quality on various parameters. These are available in various capacities as per the client's request and are completely safe to use and store. They are priced reasonably. They are efficiently packaged in order to reach the clients safely. They are highly efficient and well-suited for use in various industrial applications.

Our Export Products include agro commodities, Procured from the finest producer. Packed and Dispatched with Perfection.

## Quality Assurance

Quality is extremely vital in our entire assortment to gain high level of client credibility and belief. Right from the utilization of excellent grade inputs, tools and techniques in the developing process to the quality management process, we ensure that we never lose this aspect in any of our procedure. Along with this, stern quality management norms are followed by our crew to preserve supreme quality of our products.

Quality is a top priority at Minaxi Group, hence lab tests and certifications for our cargos are obtained on a regular basis. Apart from that we also provide weight and quality reports to our clients on the basis of their requirements.

## Shipping and Delivery:

Backed by our strong vendor base and state-of-the-art logistics facilities, we have the expertise to deliver retail and bulk orders of the oil / Bitumen within the promised span of time. Further, we take special care about the packaging of the oil before the final dispatch.

For the shipping process of Agro commodities, we use third party certification and also in house checklists to inspect every container we use to ship the cargo. All containers are thoroughly checked to meet the food safety standards before transportation.

## Warehousing:

Minaxi Group have a warehousing facility for storage of Bitumen, Coal, Rice, Wheat, Wheat flour, Grams. Our vast warehouses are located in various cities in India such as Gandhidham (kutch)Gujarat, Mundra(Kutch)Gujarat, Pathankot (Punjab), Jammu(Badi Brahmana), Budgaun(Kashmir)J&K. And other warehouses are under process of finalization at Ludhiana(Punjab), Rewari(Haryana),

Patna(Bihar), Dibrugarh(Assam), Mumbai(Maharashtra). This helps in effective storage of our products. Adequate Fire safety precautions are undertaken to make the warehouse fire-proof and explosion-proof since some of our products are combustible. We deliver our products to our clients within the specified time frame and as per their customized specifications. Our products are checked for the presence of any external substance and dilutions by our dedicated and concerned quality-control professionals.
